BANDAGES

We offer a diverse range of high-quality bandages designed to meet all your wound care and first aid needs. Our Bandages collection includes elastic bandages, adhesive bandages, cohesive bandages, and more — each crafted to deliver reliable protection and promote faster healing. Whether you're dealing with minor cuts, abrasions, or post-surgical care, our bandages ensure secure and comfortable coverage. Designed for both professional and personal use, they are perfect for hospitals, clinics, and home care settings.

DRESSINGS

We offer a wide range of high-quality products designed to support every stage of wound management. We offer casting supplies and stockinet for orthopedic applications, alcohol prep pads for sterile cleansing, gauze sponges and pads for absorption and protection, moleskin for blister prevention and skin cushioning, and dressing retainers to keep everything securely in place.

ALCOHOL PREP PADS

- Saturated with 70% isopropyl alcohol for effective antiseptic skin preparation
- Ideal for use before injections, venipuncture, or finger sticks
- For external use only; individually packaged for convenience and hygiene

SKU	Size	Sale Unit
<u>1106CS</u>	Large	1,000

COTTON CAST PADDING

- 100% cotton (sterile or non-sterile) and non-sterile synthetic (polyester) options
- Sterile rolls are individually pouched and gamma radiated for safety
- Ideal for cushioning and protecting skin under casts during immobilization

SPLINTS, SCISSORS & TOURNIQUETS

Whether you're building a trauma response kit, equipping a first aid station, or stocking up for field operations, having the right tools on hand can make all the difference in a critical moment. Our line of limb and finger splints, medical scissors, and tourniquets is carefully curated for healthcare professionals and everyday preparedness. These essential tools are designed to be reliable, easy to use, and durable. Whether treating a jammed finger, immobilizing a broken limb, or managing life-threatening bleeding, these Action Health can provide the support and performance you need to act fast and effectively when every second counts.

CLAVICLE SPLINTS

- Slim profile allows for discreet wear under clothing
- Made from high-quality materials to withstand daily use
- Allows for clear X-ray imaging without the need to remove the splint
